LIV LIK CHRIST

## Multiply the church 30 60 100 Fold

How many churches today are here to equip the saints for the preaching of the gospel of Jesus Christ the Son of God? All are, most of them are or some of them are. Are these efforts enough?

Why haven't these efforts worked to a greater capacity? We have radio, T.V., ipods, mp3 players, Internet access; I know media is trying to reach people around the world. I am going to tell you something the Lord revealed to me recently that might just open your window to more possibilities. This effort you will see detailed below could increase through

the churches effort 30 60 and 100 fold. While teaching our 9-12 year old youth, a question came to my mind; how many of us were taught to lead someone to the Lord through salvation of the cross as a child? **Could that be why 90% of Christians haven't led someone to salvation through the life, death, resurrection and forgiveness of our sins?** The Bible states in Proverbs 22:6 "train a child in the way he should go so he doesn't depart from it;" (NAS) Outreach can and should be done by all ages that are able to understand salvation to prepare them for the call on their life. In Mark 10:14 Jesus blesses the children and says, "... do not hinder them for the kingdom of God belongs to such as these." So through God's help

## Battle of the Youth Bands/Songwriters Contest

**Prepare the way of the Lord through worship, praise and song. Prepare the way of the Lord for the harvest, healing and restoration to come. Prepare the way of the Lord for He is worthy of all praise.**

The Battle of the Youth Bands/Songwriters contest will lift praises up to our Lord Jesus Christ. Draw people into salvation and create unity in the community. There

are many things to put together for this kind of event and we need your help and support. Signups and Rules are found on the website. We want God to be worshipped through the youth of the community and/or provide an opportunity to grow spiritually. Our fundraising idea is spelled out below. We know that Jesus is to be glorified through these events and we can't do it without His Church preparing the way for future generations.

# Battle of the Youth Bands

## FUNDRAISER

For ALL Churches who want to help in the Battle of the Youth Bands a 2-day Christian Concert Event, we need you to invest a little time and money in the community Car Wash we are planning. Let me challenge you to try this on your own. Our 9 to 12 year olds at church have done this to encourage themselves as well as help growth in the church with these basic principles:

- ❖ To witness for Jesus because he washed their sins away for free, so we want to wash your car today for free.
- ❖ Building teamwork in the youth to prepare them for a future.
- ❖ To promote Christian service not just in the church but also outwardly to the community.
- ❖ Grow Spiritually through giving, including principles like tithing on what was received and offerings to donate to charity.
- ❖ To have fun as they glorify God and enjoy fellowship while eating pizza.

**The idea is to train up the children in the way they should go and they will not depart from it. Prov. 22:6**

We are heading toward the time of the rapture of the Church. The harvest time is now. Is your church growing like you think it should be? Are your efforts in the community effective? We have created a Christian Community right here in the Treasure Valley, so I guess the question is; can we join our efforts together to witness to the entire com-

munity at the same time? Mark 16:15 say, "And He said to them, **Go into all the world and preach the gospel to all creation.**" Shouldn't we start with our neighborhoods, cities and communities? This is a community event that can be more than an outreach to the Treasure Valley. Imagine what 12 disciples did spreading the gospel. There are more than 350 Christian Churches in the Treasure Valley that believe the only way to get to Heaven is to be Born Again John 3:3. **Imagine what a statement of unity we could make if all of us had a car wash on the same day!** Now the question is, **will you** step out of the boat in faith and join hands with a community effort to reach and save the Lost. The prize is in Heaven. Will you share it with the people here on this earth? There are different parts of the Body of Christ; have you found your part? We want to encourage you to follow the leading of the Lord in you life and congregation. Matt. 6:33

Have a Video camera for testimonies/ interviews of people stopping in to get car washed; and to document the event for training purposes.

Script for kids to interview from if it is not memorized ahead of time. They could be the next news reporter, preacher, teacher or evangelist.

(Parents and teachers brought in the materials we used to put this event on. )

## Teaching to Give or Giving to Teach

Give and it shall be given to you, ...by your measure it will be measured to you. Luke 6:38

After you have made a tithe (10%) of the donated money we reminded the kids/adults that the church has allowed us to do this on their property and that we should bless them with an offering as well for the water we used and restrooms maintenance as well as electricity within the building. We asked the remaining kids how much that should be after we counted the money and cleaned up.

**Treasure Valley Revival is asking after the tithe and offering for you to consider to give the remainder to us to fund the Battle of the Youth Bands. We need to raise a minimum of \$40,000.00 to put on the event. So we are just asking the Lord for a couple hundred dollars from each church in the Treasure Valley. This event is to promote Christian Music for generations to come and we would like to make this an annual event. Currently we have a proposed date at**

**the Idaho Center for Aug. 15, 16, 2008. Dates may change due to availability at the Idaho Center. And Treasure Valley Revival LLC reserves the right to find a suitable location.**

We believe that what we are proposing to do will be life changing to many in the entire community. To reach and save the lost, while creating a net in which to catch the human fish. If for some reason you feel this event is only for junior high or high school level students we still want to encourage you to join us on this date and give the Lord an opportunity to work through the children. You may even allow the money to be used for your youth band entry fee. I would recommend they help in the car wash. We look forward to hearing from you, receiving written testimonies also video clips to post on our web site. This is just another way to spread the Gospel.

Visit our website at [www.treasurevalleyrevival.org](http://www.treasurevalleyrevival.org) for more information. We update it regularly. Other Events posted as well..
