We have 5 bands that will compete for the Treasure Valley Christian Band of the Year Award. There is also a panel of judges from the Professional Industry that will decide on who wins the

Grand prize. Gaither Band tickets will be given away

between Band sets.

Guest Speaker Mark Boer from Life Church in Boise will give a message and alter call while the judges deliberate their final decision. Ushers an Alter people will be available to help so we can follow up with those who are making a life changing decision.

To close the event we have Jesse Shuster, songwriter musician who recently played at the God an Country Festival July 08'.

CHURCH OUTREACH CAR WASH

Twice a year we want to encourage the churches in the Treasure Valley to participate in having a community outreach event at their church. It can be used as a fundraiser for a youth program, camp trip etc,... We are looking at this as a way churches can draw more

people to their church and find place to plug into.

This is also a great way for youth to learn to evangelize on their home turf. We all are aware that the bible say, "Train up a child in the way he/she should go and they will not depart from it." Prov.22:6. Are we teaching

our kinds to reach and save the lost in our community?

A Car Wash brings people to you and helps discipline service work, team work and ministry opportunities.
